

Dear VIDA Applicant:

Thank you for your interest in the VIDA program. As you may know the VIDA program has grown tremendously in 2008. Because of this increased interest, we are now operating with a wait list. Here are a few things you should know:

- Please submit this signed page, an application, and your supporting income information at this time. When your name comes to the top of the waitlist, your IDA Specialist will contact you and assist you in submitting the full VIDA application packet.
- Your application will be placed on a waitlist in the order received. If information is missing (including signatures or supporting documentation), you will not be placed on the waitlist.
- As the program administrator, CASA of Oregon, is required by law to assess your eligibility at the time of enrollment. Your official eligibility will be determined once you are invited to submit a full application and thus move off the waitlist.
- When your turn arrives on the waitlist to submit the full application, you will have ten days to submit the complete application package to CASA of Oregon. If you do not respond with a complete application package in that timeframe, you will lose your place on the waitlist and have to reapply.
- If you have any questions about the waitlist guidelines, please contact your VIDA Specialist. Please do not contact CASA of Oregon.

Please sign the bottom of this form acknowledging that you understand the waitlist procedures and submit with your application. Thank you.
